

2003 ANNUAL REPORT
President Elect-Elect
Debbie Brady

The President Elect-Elect worked with the Nominations Committee to secure a slate of nominees for each elected position. This year, the newly formed Organizational Oversight Committee was instrumental in recruiting individuals willing to run for office. Thanks to this committee, SCSHA members had real choice in the elections. There were three candidates for every office except Vice President for Planning and Administration which had two. These excellent candidates were diverse in terms of race, gender, and geographical location. Both speech-language pathology and audiology were represented as well. Many thanks to the following candidates for their interest and enthusiasm in serving the members of SCSHA:

President Elect-Elect

Debbie Arnold
Elaine Norris-Mulligan
Ed Szypulski

Vice President for Education and Information

Gail Murph
M. Anita Parker
Gena Randolph

Vice President for Planning and Administration

Patricia Quattlebaum
Ruby Stradford-Johnson

Beginning on October 26, 2002, the President Elect-Elect began taking minutes of every executive Board meeting. This duty will be added to the responsibilities of this office.
